Day 1: 05 NOV CANADA - DELHI

Depart Peterborough and head to Toronto Pearson International to board your overnight flight to India.

Day 2: 06 NOV DELHI

Welcome to Delhi, India! a monumental city with a vibrant mix of old and new teeming bazaars, stately British boulevards, powerful Mughal palaces and forts, and intricate, ethereal towers, temples and tombs. Today, the twin cities of Old and New Delhi still intrigue Indians and tourists alike as the cultural and political capital of the largest democracy in the world. On arrival at Delhi International Airport you will be met and assisted by our company executive and transferred to your hotel for check in. Overnight in Delhi.

Day 3: 07 NOV DELHI

Our adventure begins in Old Delhi, the Mughal capital established by Shah Jahan in 1638. At the famous Red Fort, where Jawaharlal Nehru unfurled the flag of newly-independent India on August 15, 1947, we trade our modern transport for bicycle rickshaws. Weaving through the warren of crooked, congested alleys off Chandni Chowk, one of India's oldest and busiest bazaars, we will see that the traditional workmanship for which India is well known still thrives. Visit the **Jama Masjid**, one of the largest mosques in India. Shah Jahan's last architectural extravagance, the Jama Masjid towers over Old Delhi and is India's largest mosque. Commissioned by Shah Jahan in 1650 the mosque took six years to be constructed and was completed in 1656. The massive courtyard of the Jama Masjid can hold up to twenty-five thousand worshippers. Visit **Raj Ghat** where Mahatma Gandhi was cremated. It is a black marble platform that marks the spot of Mahatma Gandhi's cremation. It is left open to the sky while an eternal flame burns perpetually at one end. Later get transferred to New Delhi, built in a typically British colonial style with tree-lined avenues and colonial bungalows. See India Gate, the 42 m high War Memorial Arch. Drive past the **Parliament House**, the Secretariat buildings and the Vice Regal Palace, now the official residence of the President of India. Afternoon at leisure.

In the evening get together for **Diwali celebration & dinner**. One of the most significant festivals in Indian culture, Diwali, the festival of lights, sees millions attend firework displays, prayers and celebratory events across the world every autumn. The festival is celebrated as a triumph of light over darkness and good over evil. To celebrate, houses are decorated with candles and colourful lights and huge firework displays are held while families feast and share gifts. The Celebration

will culminate with sumptuous Indian dinner. **Overnight in Delhi (B, D)** You may choose below optional activities during your leisure time.

Optional: Visit Qutab Minar @ CAD 60 per person: The Qutab Minar, a stunning 240-foot minaret – the tallest in the world – surrounded by an elaborate complex built in the Indo-Islamic architectural tradition. The tower has five distinct storeys, each marked by a projecting balcony and tapers from a 15 m diameter at the base to just 2.5 m at the top.
